

The Hamlet

A Better Home. A Better Lifestyle.

MAIN FLOOR PLAN

See additional On Point Homes floor plans, maps, community information, model home information and more at www.OnPointHomes.net

Inside, the foyer leads into the great room with vaulted ceiling, and warmed by a centrally located fireplace. A cased opening from the kitchen allows convenient service to the dining room and an open flow for entertaining. The master suite with tray ceiling dominates the left side of the plan complete with master bath containing, double vanities, a compartmented toilet, and a separate shower. Two additional bedrooms share a full bath. A two-car garage completes this plan.
